One copy of all plans, specifications and related data so submitted to the ARC shall be retained in the records of the ARC and the other copy shall be returned to the Owner submitting the same marked "approved", "approved as noted" or "disapproved". The ARC shall establish a fee to be charged to and paid by each Owner who submits plans and specifications to the ARC for approval, which fee shall be sufficient to cover the expense of reviewing plans and related data and to compensate any consulting architects, landscape architects, designers, engineers, inspectors and/or attorneys retained in order to approve such plans and specifications and to monitor and otherwise enforce the terms hereof. Notwithstanding anything provided herein to the contrary, an Owner may make interior improvements and alterations within his Dwelling that do not affect exterior appearance and without the necessity or requirement that ARC approval or consent be obtained.

The ARC shall have the right to approve any submitted plans and specifications with conditions or stipulations by which the Owner of such Lot or Dwelling shall be obligated to comply and must be incorporated into the plans and specifications for such Improvements or Dwelling. Approval of plans and specifications by the ARC for Improvements to one particular Lot or Dwelling shall not be deemed an approval or otherwise obligate the ARC to approve similar plans and specifications or any of the features or elements for the Improvements for any other Lot or Dwelling within the Development.

(e) In the event the ARC fails to “approve”, or "approved as noted", in writing any such proposed plans and specifications within forty-five (45) days after such plans and specifications have been submitted, then the plans and specifications so submitted will be deemed to have been disapproved.

5.08 **Inspection.** The ARC or any agent, employee or representative thereof may at any reasonable time and from time to time enter upon and inspect any Lot or Dwelling or any Improvements being constructed thereon in order to determine whether the approved plans and specifications therefor are being complied with. Any such entry shall not be deemed to be a trespass or any other wrongful act by the ARC.

5.09 **Subsurface Conditions.**

(a) The Property is located in an area which includes geological formations or conditions which may result in surface subsidence or sinkholes. Approval of the submitted plans and specifications by the ARC as herein provided shall not be construed in any respect as a representation or warranty of the ARC and/or the Developer and/or the Association to the Owner submitting such plans and specifications. It shall be the sole responsibility of the Owner to determine the suitability and adequacy of the surface and subsurface conditions of the Lot for the construction of any and all Dwellings or other Improvements thereon.

(b) Neither the ARC and its individual members, nor the Developer and its members and/or partners, agents and employees and the officers, directors, agents and employees of its members and/or partners, shall be liable to any Owner or Occupant, or the successors, assigns, licensees, lessees, employees and agents of any Owner or Occupant, for loss or damage on account of injuries to any parcel of the Property, to any buildings, Improvements, Dwellings or other structures now or hereafter located upon any parcel of the Property, or on account of any past or future injuries to any Owner, Occupant, or any other person in or upon any parcel of the Property, which are caused by, or arise as a result of soil and/or subsurface conditions, known or unknown (including, without limitation, underground mines or other geological formations or conditions) under or on the Property.

5.10 **Limitation of Liability.** Notwithstanding anything provided herein to the contrary, neither Developer, the ARC, the Association, nor any agent, employee, representative, member, shareholder, partner, joint venturer, officer or director thereof, shall have any liability of any nature whatsoever for any damage, loss or prejudice suffered, claimed, paid or incurred by any Owner on account of (a) any defects in any plans and specifications submitted, reviewed or approved in accordance with the provisions of this Article V, (b) any defects, structural or otherwise, in any work done according to such plans and specifications, (c) the failure to approve or the disapproval of any plans, drawings, specifications or other data submitted by any Owner for approval pursuant to the provisions of this Article V, (d) the construction or performance of any work related to such plans, drawings and specifications, (e) bodily injuries (including death) to any Owner, Occupant or the respective family members, guests, employees, servants, agents, invitees or licensees of any such Owner or Occupant, or any damage to any Dwellings, Improvements or the personal property of any Owner, Occupant or the respective family members, guests, employees, servants, agents, invitees or licensees of such Owner or Occupant, which may be caused by, or arise as a result of any defect, structural or otherwise, in any Dwellings or Improvements or the plans and specifications therefor or any past, present or future soil and/or subsurface conditions, known or unknown (including, without limitation, underground mines, tunnels, sinkholes or other geological formations or conditions on or under

Notwithstanding any provisions or restrictions contained in these Covenants to the contrary, Developer, its agents, employees, successors and assigns, shall have the right and option to maintain and carry on such facilities and activities as may be reasonably required, convenient, or incidental to the completion, improvement, and sale of Lots and/or Dwellings or the development of Lots, Dwellings, Common Areas and the Additional Property, including, without limitation, the installation and operation of sales and construction trailers and offices, signs and model Dwellings, all as may be approved by Developer from time to time; provided, however, that the location of any construction trailers of any assignees of Developer's rights under this Section 5.11 shall be subject to Developer's approval. In the event any of the provisions of this Article V are breached or are not otherwise being complied with in all respects by any Owner or Occupant or the respective family members, guest, invitees, agents, employees or contractors of any Owner or Occupant, then the ARC and the Association shall each have the right, but not the obligation, at their option to (a) enjoin any further construction on any Lot or Dwelling and require the removal or correction of any work in place which does not comply with the plans and specifications approved by the ARC for such Improvements and/or (b) through their designated agents, employees, representatives and independent contractors, enter upon such Lot or Dwelling and take all action necessary to extinguish such violation or breach. All costs and expenses incurred by the ARC or the Association in enforcing any of the provisions of this Article V, including, without limitation, attorneys' fees, court costs, costs and expenses of witnesses, engineers, architects, designers, land planners and any other persons involved in the correction of nonconforming work, the completion of uncompleted work or in any judicial proceeding, together with any other costs or expenses incurred by the ARC or the Association in causing any Owner or such Owner's contractors, agents or invitees to comply with the terms and provision of this Article V, shall be paid by such Owner, shall constitute an individual Assessment to such Owner pursuant to Section 8.06 below and, if the same is not paid when due, shall be subject to the lien provided for in Section 8.10 below and be subject to foreclosure as provided for therein. Notwithstanding anything provided herein to the contrary, the right and remedies of the ARC and the Association set forth herein shall not be deemed exclusive of any other rights and remedies which the ARC or the Association may exercise at law or in equity or any of the enforcement rights specified in Sections 6.37, 8.10, 11.01, 11.02 and 11.03 below.

5.13 Compliance Certification. that all applicable rules, regulations and requirements of all Governmental Authorities with respect to any such Lot or Dwelling have been fulfilled.

5.14 Construction Activity. Upon the approval by the ARC of plans and specifications for any Dwelling or Improvement on any Lot, construction may be commenced upon such Lot, pursuant to such approved plans and specifications. Any such construction must be continuously pursued to completion with reasonable diligence.

Any Owner of any Farm Animal Lot who owns and keeps Farm Animals thereon shall further be required to procure, pay for and maintain in full force and effect at all times, at no expense to the Developer or the Association, a policy of liability insurance to be written by an insurer approved by the Developer and the Association and lawfully authorized to do business in the State of Alabama, in an amount not less than \$1,000,000, insuring against any claim, loss or damage arising from the owning and keeping of any Farm Animals by such Owner

upon any such Farm Animal Lot, including, but not limited to any environmental contamination of water and/or soil caused by such Farm Animals. Such policy shall (a) name the Developer and the Association as additional insureds, (b) be primary to any other insurance coverage maintained by the Developer or the Association, as applicable, and (c) expressly provide that the interest of each additional insured shall not be affected by any breach by the Owner or any other additional insured of any policy provision.

6.24 Trash, Rubbish and Nuisances.

(a) No trash, garbage, rubbish or debris of any kind shall be dumped, placed or permitted to accumulate upon any portion of the Property nor shall any nuisance or odors be permitted to exist or operate upon or arise from any Lot or Dwelling which would render any portion thereof unsanitary, unsightly, offensive or detrimental to persons using, occupying or owning any other Lots or Dwellings. Noxious or offensive activities shall not be carried on in or from any Lot or Dwelling or in any part of the Common Areas, and each Owner and Occupant shall refrain from any act or use of a Lot or Dwelling which could cause disorderly, unsightly or unkept conditions, result in the cancellation of or increase in insurance coverage or premiums for any portion of the Property or be in violation of any law, statute, ordinance, rule, regulation or requirement of any Governmental Authority. Without limiting the generality of the foregoing, no horns, whistles, bells, speakers or other sound devices, other than reasonable security and fire alarm devices used exclusively for such purposes, shall be located, used or placed upon any Lot or Dwelling; provided, however, that the foregoing shall not apply to the reasonable use of any of the foregoing devices within any recreational areas of the Common Areas such as swimming pools. Any Owner or Occupant or any of the respective family members, guests, invitees, servants, agents, employees or contractors of such Owner or Occupant who dumps, places or allows trash or debris to accumulate on his or her Lot, Dwelling, or on any other portion of the Property shall be liable to the Association for all costs incurred by the Association to remove the same.

(b) Trash, garbage and any other refuse or waste shall not be kept on any Lot or Dwelling except in sanitary containers or garbage compactor units. Trash cans and containers shall at all times be kept at the rear of or inside a Dwelling and shall be screened from view from Development Roads and adjacent Lots and Dwellings by appropriate landscaping or fencing approved by the ARC; provided, however, that trash cans and containers may be moved to the side yard of any Dwelling on trash collection days for such Lot or Dwelling.

6.25 Recreational Vehicles and Machinery and Equipment.

(a) Mobile homes, motor homes, trailers of any kind, campers, vans, motorcycles, bicycles, motorized carts and all-terrain vehicles, lawnmowers, tractors, tools, construction machinery and equipment of any nature, golf carts, boats and any other type of watercraft, including boat trailers, and any other similar types of vehicles, machinery or equipment shall not be permitted, stored or allowed to remain on any Lot or Dwelling unless the same is placed, stored and maintained within a wholly enclosed structure, with roofing and doors, on such Lot or Dwelling, or in such a manner as to not be visible from any Development Road. Any enclosed structure must be approved by the ARC. The Common Areas shall not, unless expressly

permitted by the Association, be utilized for the parking or storage of any of the foregoing vehicles, recreational vehicles, machinery or equipment.

(b) Each Lot or Dwelling shall provide for adequate off-street parking (i.e., parking areas located solely within the property lines of such Lot or Dwelling). Vehicles shall be parked only in driveways constructed in accordance with the provisions of Section 6.21 above, provided any such vehicle when parked is not visible from any Development Road, or in garages constructed in accordance with the provisions of Section 6.15 above. Vehicles shall not be parked on any landscaped or natural areas of a Lot or Dwelling.

(c) Any vehicle which is inoperable shall be immediately removed from the Development. No Owner or Occupant shall repair or restore any vehicle, machinery or equipment of any kind upon or within any Lot or Dwelling or within any portion of the Common Areas, except (i) within enclosed garages or workshops or (ii) for emergency repairs and then only to the extent necessary to enable the immediate movement thereof to a proper repair facility located outside of the Property.

(d) Subject to the prior written approval of the Association which may be withheld in the sole discretion of the Association, the Board shall have the right at any time and from time to time to adopt rules and regulations with respect to the keeping, storage, parking, operation, use or maintenance of mobile homes, tractors, equipment, machinery, trailers (with or without wheels), motorhomes, trucks (other than pick-up trucks), commercial vehicles of any type, campers, motorized campers or trailers, boats or other watercraft, boat trailers, motorcycles, motorized bicycles, all-terrain vehicles, motorized go-carts and other forms of transportation.

6.26 Signage. No signs or advertising posters of any kind shall be maintained or permitted within any windows or on the exterior of any Lot or Dwelling or elsewhere on any portion of the Property without the express written permission of the ARC and except as permitted by applicable rules, regulations and ordinances of any Governmental Authority having jurisdiction thereof. The ARC may promulgate rules, regulations and standards for the use and design of any sign to be posted within the Property, including but not limited to, name and address signs and the signs referred to in Section 6.29(c). Notwithstanding the foregoing, (a) the restrictions set forth in this Section 6.26 shall not be applicable to Developer or to any signs erected pursuant to Section 6.29(c) below and (b) Developer and the Association shall have the right, but not the obligation, to erect and maintain reasonable and appropriate signs on any portions of the Common Areas and within those easement areas established in Section 3.07 above.

6.27 Tanks and Wells. No exposed above-ground tanks for the storage of fuel, water, Farm Animal feed or any other substances shall be located on any Lot or Dwelling or within any of the Common Areas. Underground tanks for the storage of propane gas to service a Lot or Dwelling will be permitted if approved by the ARC.

6.28 Temporary Structures; Dog Houses. No temporary house, trailer, shack, tent, barn, shed, stable, poultry house or yard, rabbit hut, temporary or portable toilet (except as

provided in Section 6.29(a)(iv) below), treehouse or other outbuilding or structure of any kind shall be permitted, constructed, installed or allowed to remain on any Lot or Dwelling; provided, however, that the foregoing shall not be deemed to prohibit (a) temporary structures for social functions as may be permitted by the rules and regulations of the Board of the Association, (b) any detached garages or other structures which are approved in writing by the ARC, (c) dog houses for not more than five (5) dogs so long as such dog houses are visibly screened from view from all Development Roads and adjacent Lots or Dwellings, and (d) construction trailers and/or sales offices erected or placed on any part of the Property by Developer pursuant to Section 5.11 above.

6.29 Construction of Improvements.

(a) During the construction of any Improvements or Dwelling, (i) all Lots and Dwellings shall be maintained in a clean condition, free of debris and waste material, (ii) all unused construction materials shall be stored, to the extent practicable, out of view from any Development Road, (iii) all construction trash, debris and rubbish on each Lot shall be properly disposed of outside the Property at least weekly, and (iv) any temporary or portable toilet will be placed out of view from any Development Road. Used construction materials shall not be burned on-site. In no event shall any used construction materials be buried on or beneath any Lot or Dwelling or any other portion of the Development. No Owner shall allow dirt, mud, concrete, gravel or other substances to collect or remain on any Development Road. Each Owner and each Owner's contractor, subcontractors, laborers and suppliers shall cause all such dirt, mud, concrete, gravel and other substances to be removed from the treads, wheels and concrete unloading chutes of all vehicles used in or related to the construction of Improvements on a Lot or Dwelling prior to such vehicles traveling on any Development Roads. All costs associated with the clean-up of any Lot shall be the responsibility of the Owner of such Lot.

(b) During the construction of any Improvements or Dwellings, construction equipment and the vehicles of all contractors, subcontractors, laborers, materialmen and suppliers shall (i) utilize off-street parking only, (ii) enter the Lot or Dwelling on which such Improvements are being constructed from the driveway for such Lot or Dwelling, and (iii) not damage trees or other vegetation on such Lot which, pursuant to the provisions of Section 6.06 above, are to be preserved.

(c) Up to two (2) signs, in size and color to be approved by the ARC, may be posted on a Lot at a height not to exceed five (5) feet from the ground level advertising the Lot or the Dwelling thereon for sale or, during the construction of such Dwelling, containing information identifying the builder of such Dwelling. No other signage, banners, flags or advertising posters shall be allowed without obtaining ARC approval. The location of such signage shall be established by the ARC but in no event shall any signage authorized by this Section 6.29 or which may be approved by the ARC be attached, nailed or otherwise adhered to any tree or other plant life on a Lot or Dwelling.

(d) No construction trucks, equipment or machinery, including any trailers used for the transportation of construction equipment or machinery, shall be parked on any Development

Roads. Upon completion of construction of any Improvements or any Dwelling, all construction machinery, tools and equipment, all unused construction materials and all trash, debris and rubbish shall be immediately removed from the Lot or Dwelling and such Lot or Dwelling shall be kept and maintained in a clean and uncluttered condition.

(e) All Dwellings and any other Improvements shall be constructed in compliance with the Architectural Standards; all applicable federal, state, county and local laws, ordinances, rules, regulations; and zoning and building code requirements. Each Owner shall be solely responsible for obtaining from the appropriate Governmental Authorities all necessary permits and licenses and otherwise paying all required fees for the construction of any Improvements on such Owner's Lot. Each Owner shall also be responsible for strict compliance with the Architectural Standards and all applicable watershed protection, soil erosion and other governmental requirements, both during and after completion of construction of any Improvements on such Owner's Lot. Once any such construction has commenced, it shall be continuously and diligently pursued to completion in accordance with the plans and specifications approved by the ARC.

(f) When any Owner submits to the ARC plans and specifications for construction of a Dwelling, in accordance with Section 5.05 above, the name of the building contractor selected by such Owner for construction of such Dwelling shall also then be submitted to the ARC; however, if the identity of the building contractor is not known at that time, then the name of the building contractor will be submitted when determined prior to construction. The ARC shall have the right, in its sole discretion, to approve or disapprove of any building contractor so selected by such Owner. Each building contractor approved by the ARC in accordance with this Section 6.29(f) will be required to remit to the ARC a refundable damage/clean up deposit (the "Deposit") in an amount established by the Association or the ARC. Should such building contractor damage or fail to properly clean up the Property or Common Areas as required herein, or any supplemental rules and regulations promulgated by the ARC, the ARC may, in its sole discretion, initiate appropriate action to remediate any such condition at such building contractor's expense. The cost of any such remediation shall be deducted from the Deposit and any amount expended by the ARC in excess of the Deposit in remediating such condition shall be billed to such building contractor. Within thirty (30) days of the completion of such Dwelling (as evidenced by the issuance of the certificate of occupancy), the ARC shall refund to such building contractor any unexpended portion of the deposit.

6.30 Subdivision and Interval Ownership. No Lot may be subdivided or resubdivided without the prior written approval of the ARC. No Lot or Dwelling shall be sold or owned under any time-sharing, time-interval or similar right-to-use programs.

6.31 Swimming Pools and Tennis Courts. Swimming pools, outdoor hot tubs, reflecting ponds, saunas, whirlpools, lap pools and tennis courts shall not be constructed, installed and maintained on any Lot or Dwelling except with the prior written approval of the plans for the same by the ARC and subject to restrictions contained herein. Above-ground outdoor pools shall not be permitted on any Lot or Dwelling. The ARC shall have the right to adopt further rules and regulations governing the construction of swimming pools, other outdoor water features or amenities and tennis courts within the Property. Exterior lighting for tennis

courts and/or swimming pools must also be approved by the ARC. In no event shall any such exterior lighting generate at any Lot line light levels greater than the light of a full moon on a clear night, unless approved by the ARC.

6.32 **Traffic Regulations.**

(a) Adoption and Enforcement. All vehicular traffic on the Development Roads shall be subject to the applicable provisions of the laws of the state of Alabama and any other city or county having jurisdiction thereof concerning operation of motor vehicles on public streets. The Association is hereby authorized to promulgate, administer, and enforce reasonable rules and regulations governing vehicular and pedestrian traffic, including adopting reasonable safety measures and speed limits for any of the private roads within any portion of the Development. The Association may request or take such action as may be required to compel any appropriate Governmental Authority to enforce public traffic laws on private roads, including, without limitation, the Development Roads. The Association shall be entitled to enforce such rules and regulations by establishing such enforcement procedures as it deems appropriate, including levying fines for the violation thereof. In the event of any conflict between the provisions of the laws of the State of Alabama and the traffic rules and regulations promulgated by the Association, the more restrictive shall govern.

(b) Operation of Motor Vehicles. Only insured drivers licensed to operate motor vehicles by the State of Alabama or by any other state in the United States may operate any type of motor vehicle within the Development. All vehicles of any kind and nature which are operated on the Development Roads shall be operated in a careful, prudent, safe and quiet manner, and with due consideration for the rights of all residents of the Development.

6.33 **Compliance with Governmental Regulations.** Each Owner and Occupant shall at all times comply with all applicable laws, ordinances, statutes, rules, regulations, requirements and code provisions of the Governmental Authorities.

6.34 **Additional Regulations.** In addition to the restrictions set forth in these Covenants, the (i) ARC shall have the right, in its sole discretion, from time to time and at any time to adopt, modify and amend the Architectural Standards in order to impose such other, further or different requirements or restrictions which shall be binding on all Owners, Lots and Dwellings, including the adoption of additional or more specific requirements and restrictions governing the improvement and use of any Lot or Dwelling and (ii) the Association shall have the right from time to time and at any time to adopt, modify and amend such rules and regulations as the Association, in its sole discretion, determines to be in the best interests of all Owners, which rules and regulations shall be binding on all Owners, Lots and Dwellings.

6.35 **Lake Lots.** Any Lake Lot, as depicted on the above-referenced recorded plats (other than any Lot abutting on Smyer Lake, Hollybrook Lake, Upper Big Pine Lake and/or Lower Big Pine Lake), is and shall be held, transferred, sold, conveyed, and occupied subject to the following additional covenants, conditions, and restrictions:

(a) Use of Lake. Occupants of Lake Lots shall have a nonexclusive right and privilege of and easement for using the Lake for such activities as boating and fishing, provided that such right and privilege shall be exercised reasonably and with due regard to the rights of others to use the Lake, as provided by this Amendment. The easement, rights, and privileges granted herein are and shall be permanent and perpetual and are appurtenant to and shall pass and run with title to each Lake Lot.

(b) Watercraft Limitations. No more than one (1) watercraft may be owned, kept on a Lake Lot, and used in connection with the Lake at a given time. No watercraft in excess of sixteen (16) feet in length shall be permitted on the Lake, and no motors shall be used on watercraft except electric trolling motors.

(c) Bulkheads, Piers, and Docks. No Owner of any Lake Lot shall construct any manner of bulkhead, pier, or dock on or in such Owner's Lake Lot or the Lake.

(d) Building Setback. Notwithstanding any requirements to the contrary contained herein, but subject to the absolute discretion of the ARC, the minimum building setback from the Lake shall be seventy five (75) feet.

(e) Water Level Fluctuations. By acceptance of a Lake Lot deed, each Owner of a Lake Lot acknowledges that the water level of the Lake is subject to significant fluctuations and that portions of the Lake Lots may from time to time be flooded and that from time to time the level of the Lake may be too low to accommodate recreational uses. Neither Developer nor the Association shall have any responsibility whatsoever for maintaining the Lake at any particular or certain water level.

(f) Pollution of Lake. No Occupant shall discharge, deposit or throw, or cause, allow or permit to be discharged, deposited or thrown into the Lake any trash, garbage, rubbish, waste, or hazardous substance. Any Occupant who shall discharge, deposit or throw, or cause, allow or permit to be discharged, deposited or thrown into the Lake any trash, garbage, rubbish, waste, or hazardous substance (i) shall take such remedial action therefor as Developer or the Association may require, in its sole discretion, and shall be solely responsible for the costs and expenses of such remedial action and (ii) shall indemnify and hold harmless Developer and the Association from any and all costs, expenses, loss, injury, damage, or claim, including attorneys' fees, resulting therefrom.

(g) Release of Developer. By acceptance of a Lake Lot deed, each Owner of a Lake Lot releases and covenants and agrees not to claim any damages from Developer or the Association in connection with or on account of any injuries or damages resulting from the use of the Lake by any Occupant of the Owner's Lake Lot and further agrees to hold Developer and the Association harmless from any and all claims or damages, including reasonable attorney fees and expenses, relating to the use of the Lake by any Occupant of the Owner's Lake Lot. Neither Developer nor the Association shall have any responsibility whatsoever to insure the safety of any Occupant, or any other person, in the use of the Lake, and each Occupant, or any other person, who shall use Lake shall do so at his or her own risk.

(h) Rules and Regulations. Developer may from time to time prescribe rules and regulations concerning the use of the Lake, which rules and regulations shall apply to and be binding upon the Occupants of Lake Lots.

(i) Access to Lake Lots. Developer may, in its sole discretion, permit the use of the Lake by the Occupants of other Lots lying within the Development, on terms and conditions established by Developer. Access to the Lake by such Occupants shall be over and through land owned by Developer or the Association, and designated therefor, and any permission to use the Lake granted by Developer to such other Occupants shall in no way imply any easement over or through the Lake Lots. Any Occupants of other Lots permitted by the Developer to use the Lake shall hold Developer and the Association harmless from any and all claims or damages, including reasonable attorney fees and expenses, relating to the use of the Lake by such Occupant.

6.36 Use of Firearms, Hunting. The use of or discharge of firearms on the Property is prohibited, except by certified peace officers, game wardens or animal control officers. Hunting of any kind or by any method, including but not limited to firearms, traps, snares, bow and arrows, or manually propelled missiles, is also prohibited on the Property.

6.37 Enforcement and Remedies. In the event any of the provisions of this Article VI are breached or are not otherwise being complied with in all aspects by any Owner or Occupant or the respective family members, guests, invitees, agents, employees or contractors of any Owner or Occupant, then the Association or the ARC shall each have the right, but not the obligation, at their option, to (a) enjoin such violation or noncompliance and/or (b) through their designated agents, employees, representatives and independent contractors, enter upon such Lot or Dwelling and take all action necessary to extinguish or correct such violation or breach. All costs and expenses incurred by the ARC or the Association in enforcing any of the provisions of this Article VI, including, without limitation, attorneys' fees, court costs, costs and expenses of witnesses, engineers, architects, designers, land planners and any other persons involved in the correction of any noncompliance or the removal of such violation or in any judicial proceeding, together with any other costs or expenses incurred by the ARC or the Association in connection therewith, shall be paid by such Owner who has violated or breached any of the provisions of this Article VI, shall constitute an individual Assessment to such Owner pursuant to Section 8.06 below and, if the same is not paid when due, shall be subject to the lien provided for in Section 8.09 below and be subject to foreclosure as provided for therein. Notwithstanding anything provided herein to the contrary, the rights and remedies of the ARC and the Association set forth herein shall not be deemed exclusive of any other rights and remedies which the ARC or the Association may exercise at law or in equity or any of the enforcement rights specified in Sections 5.12, 6.23, 6.24(a), 6.32, 6.37, 7.02(b), 8.06, 8.10 and 11.01 below. The ARC, at its option and in its discretion, may delegate to the Association any of its respective enforcement rights set forth in these Covenants.

6.38 Variances. The ARC, in its sole and absolute discretion, shall have the exclusive right to grant variances and exceptions with respect to the provisions of Article V above and this Article VI with respect to any Lot or Dwelling. Any request for a variance or exception submitted to the ARC shall be in writing and, upon approval of the same by the ARC, shall be evidenced by a written document executed by either the chairman or any other

appropriate officer of the ARC. The provisions of Section 5.03 above concerning meetings, a quorum of members and the number of votes necessary to approve action taken by the ARC shall be binding upon the ARC in any matters regarding the granting of variances.

ARTICLE VII

MAINTENANCE RESPONSIBILITIES

7.01 Responsibilities of Owners.

(a) Unless specifically identified herein as being the responsibility of the Association, the maintenance and repair of all Lots, Dwellings, all other Improvements situated thereon or therein and all lawns, landscaping and grounds on or within a Lot or Dwelling shall be the responsibility of the Owner of such Lot or Dwelling. Each Owner shall be responsible for maintaining his, her or its Lot or Dwelling, as the case may be, in a neat, clean and sanitary condition, both inside and outside of any Dwellings or Improvements thereto. Such responsibilities shall include, without limitation, maintaining at all times appropriate paint and stain finishes on all Dwellings and other Improvements and reroofing or replacing roofing shingles when the same become worn or would be replaced by a prudent Owner. No exterior changes, alterations or Improvements shall be made to any Lot or Dwelling without first obtaining the prior written approval of the same from the ARC.

(b) Each Lot or Dwelling, as the case may be, shall be landscaped in accordance with plans and specifications submitted to and approved by the ARC pursuant to Section 5.06 above. All areas of any Lot or Dwelling which are not improved by the construction of a Dwelling thereon or designated on the landscaping plan as "natural areas" shall at all times be maintained by the Owner in a fully and well kept landscaped condition utilizing ground cover and/or shrubbery and trees. The maintenance obligations set for in this Section 7.01(b) shall apply to all portions of a Lot or Dwelling up to the edge of the pavement of any Development Road abutting such Lot or Dwelling at all times, either prior, during or after the construction of any Improvements thereon. Grass, hedges, shrubs, vines and any other vegetation of any type on any Lot shall be cut and trimmed at regular intervals at all times in order to maintain the same in a neat, safe and attractive condition. Trees, shrubs, vines, plants and other vegetation which die shall be promptly removed and replaced with living plants of like kind and quantity. Dead vegetation, stumps, weeds, rubbish, debris, garbage and waste material shall be promptly removed from any Lot or Dwelling and properly disposed of outside of the Development.

(c) No Owner shall (i) modify, change or otherwise alter the appearance of any portion of the exterior of a Dwelling or the landscaping, grounds or other improvements within a Lot unless such modification, change or alteration is first approved, in writing, by the ARC as provided in Sections 5.05 and 5.06 above or (ii) do any work which, in the reasonable opinion of the ARC, would jeopardize the soundness and safety of the Development or the Property, reduce the value thereof or impair any easement or hereditament thereto, without in every such case obtaining the prior written approval of the ARC.

(d) It shall also be the responsibility of each Owner of a Lot or Dwelling to maintain in good repair and working order and in a sanitary condition any septic tank system installed on such Lot or Dwelling. By acceptance of a deed to a Lot, each Owner agrees to indemnify and hold harmless the Developer and the Association from any and all liability associated with the use, maintenance and operation of a septic tank system on such Lot, including without limitation, any environmental contamination of water or soil resulting, directly or indirectly, therefrom.

7.02 Responsibilities of Association.

(a) Except as may be otherwise provided herein to the contrary, the Association shall maintain and keep in good repair and condition all portions of the Common Areas, which responsibility shall include the maintenance, repair, upgrade, improvement and replacement of (i) Development Roads, walks, trails, paths, walkways, bicycle, horseback riding, and jogging paths and lanes, parking lots, street lights, landscaped areas, recreational areas and other improvements made by Developer or the Association within any of the Common Areas or within any of the easements encumbering the Lots or Dwellings as provided in Sections 3.04 through 3.09, inclusive, above, (ii) such limited access systems and facilities, entrance gates and utility lines, pipes, plumbing, wires, conduits and related systems, in Developer's sole discretion, appurtenances, equipment and machinery which are a part of the Common Areas and which are not maintained by a public authority, public service district, public or private utility, or other person (iii) all lawns, trees, shrubs, hedges, grass and other landscaping and all lakes and ponds situated within or upon the Common Areas and (iv) all retention lakes, ponds and other water areas and facilities constructed by Developer or the Association wherever located (either within or outside of the Development so long as the same are utilized for the benefit of the Development), as may be necessary or otherwise required by any Governmental Authority. The Association shall not be liable for injuries or damage to any person or property (1) caused by the elements, acts of God or any Owner or other person, (2) resulting from any surface or subsurface conditions which may at any time affect any portion of the Property caused by rain or other surface water which may leak or flow from any portion of the Common Area onto a Lot or Dwelling or (3) resulting from thief, burglary or other illegal entry into the Property, any Lot or Dwelling thereof. No diminution or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or perform some function required to be taken by or performed by the Association hereunder or for inconvenience or discomfort arising from the making of Improvements or repairs which are the responsibility of the Association or from any action taken by the Association to comply with any requirements of any Governmental Authorities.

(b) In the event that the Board determines that (i) any Owner has failed or refused to discharge properly his, her or its obligations with regard to the maintenance, cleaning, repair or replacement of items for which he, she or it is responsible hereunder or (ii) any maintenance, cleaning, repair or replacement for which the Association is responsible hereunder is caused by the willful or negligent act of an Owner or Occupant, or their respective family members, guests, servants, employees, invitees or contractors, and the costs of such maintenance, cleaning, repair or replacement are not paid in full from insurance proceeds, if any, received by the Association with respect thereto, then, in either event, the Association, in addition to the exercise of any of its

rights and remedies set forth in these Covenants, may give such Owner written notice of the Association's intent to provide such necessary maintenance, cleaning, repair or replacement, at the sole cost and expense of such Owner and setting forth in reasonable detail what action is deemed necessary. Except in the event of emergency situations, such Owner shall have fifteen (15) days within which to complete the same in a good and workmanlike manner or, if the same is not capable of completion within such fifteen (15) day period, to commence such maintenance, cleaning, repair or replacement and to proceed diligently with the completion of the same in a good and workmanlike manner. In the event of emergency situations or the failure by any Owner to comply with the provisions hereof after such notice, the Association may provide (but shall not be obligated to provide) any such maintenance, cleaning, repair or replacement at the sole cost and expense of such Owner and said cost shall be a personal obligation of such Owner, shall constitute an individual Assessment to such Owner, and shall be subject to the lien and foreclosure rights granted pursuant to Section 8.10 below.

ARTICLE VIII

COMMON AREA ASSESSMENTS

8.01 Assessments and Creation of Lien. Each Owner of a Lot or Dwelling, by acceptance of a deed or other instrument conveying any interest therein, regardless of whether such deed or instrument contains a reference to these Covenants, is hereby deemed to covenant and agree to pay to the Association: (a) annual Assessments, as established and to be collected as provided in Section 8.04 below, (b) Special Assessments, to be established and collected as provided in Section 8.05 below, and (c) individual Assessments against any particular Lot or Dwelling which are established or assessed pursuant to the terms of these Covenants, including, but not limited to any fines or costs as may be levied or imposed against such Lot or Dwelling in accordance with the provisions of Sections 5.12, 6.23, 6.24(a), 6.29(f), 6.32, 6.37, 7.02(b), 8.09 and 11.01 hereof. All Assessments, together with late charges and interest as provided in Section 8.10(a) below, and all court costs and attorneys' fees incurred by the Association to enforce or collect such Assessments, shall be an equitable charge and a continuing lien upon each Lot or Dwelling for which the Owner thereof is responsible for the payment of the same, which lien may be enforced in the manner provided in Section 8.10(c) below. Each Owner shall be personally liable for the payment of all Assessments coming due while he, she or it is the Owner of any Lot or Dwelling and such Owner's grantee shall take title to such Lot or Dwelling subject to the equitable charge and continuing lien therefor, but without prejudice to the rights of such grantee to recover from his, her or its grantor any amounts paid by such grantee to the Association which were the legal obligations of such grantor. All Assessments, together with late charges and interest at the Applicable Rate, as specified in Section 8.10(a) below, court costs and attorneys fees incurred with respect thereto by the Association, shall also be a personal obligation of the person who was the Owner of the Lot or Dwelling at the time such Assessments and other costs and charges were assessed or incurred. In the event of co-ownership of any Lot or Dwelling, all of the co-Owners shall be jointly and severally liable for the entire amount of such Assessments. Assessments shall be paid in such manner and on such dates as may be fixed by the Association. All Assessments shall be payable in all events without offset, diminution or abatement by reason of fire or other casualty or any taking as a result of, in lieu of or in

anticipation of the exercise of the right of eminent domain, condemnation or by private purchase in lieu thereof with respect to any Lot, Dwelling or Common Area or any other portion of the Development or any other cause or reason of any nature.

8.02 Purpose of Assessments. The annual Assessments and Special Assessments provided for herein shall be used for the payment of Common Expenses and for the general purposes of promoting the recreational, health, education, safety, welfare, common benefit and enjoyment of the Owners and Occupants of the Property, and otherwise for the general upkeep and maintenance of the Development, including, but not limited to, the Common Areas and any Improvements thereto, all as may be more specifically authorized from time to time by the Association.

8.03 Uniform Rate of Assessments.

(a) Both annual Assessments and Special Assessments, as described in Section 8.04 and 8.05 below, shall be assessed against each Lot or Dwelling in the Development at a uniform rate, with the Owner of each Lot or Dwelling being required to pay his or her pro rata portion of such annual Assessment and/or Special Assessments, as determined by a fraction, the numerator of which shall be one and the denominator of which shall be Developer's projected total number of lots and Assessment dwellings in the Development, in Developer's sole discretion, but in no event shall the denominator be less than twenty-six (26). Each Lot and Dwelling shall be subject to equal annual Assessments and Special Assessments.

(b) Notwithstanding anything provided in Section 8.03(a) above to the contrary, in the event any Additional Property is added to the Property, then the lots and/or dwellings within the Additional Property shall be subject to the same annual Assessments or Special Assessments then being paid by the Owners of all Lots and Dwellings in the Development, subject to proration as provided in Section 8.09 below.

8.04 Computation of Annual Assessments.

(a) Commencing with the fiscal year of the Association which begins on January 1, 2001 (i.e., from January 1, 2001 through December 31, 2001) and annually thereafter, the Association shall determine and adopt annually an annual budget covering the estimated Common Expenses for the Development for the upcoming year, such budget to include a capital contribution or reserve account if necessary for the capital needs of the Association. The amount set forth in such budget shall constitute the aggregate amount of annual Assessments for the then applicable year and each Owner shall pay his or her pro rata share of the same as provided in Section 8.03 above. A copy of the budget setting forth the amount of annual Assessments to be levied against the Lots and Dwellings for the following year shall be delivered by the Association to each Owner.

(b) If any budget or the amount of annual Assessments collected by the Association at any time proves to be inadequate or insufficient for any reason to fully pay all costs and expenses of the Association and all Common Expenses, then the Board may call a meeting of the

Association for the purpose of approving Special Assessments as provided in Section 8.05 below. If the actual amount of annual Assessments collected in any one year exceeds the actual costs incurred for Common Expenses for such year, the excess shall be retained by the Association as a reserve for subsequent years' Common Expenses.

(c) The Common Expenses to be funded by the annual Assessments and Special Assessments may include, but shall not be limited to, the following:

8.05 Special Assessments. In addition to the annual Assessments authorized in Section 8.04 above and the special Assessments authorized in Section 9.01(b) and 9.03(a) (i) below, the Board of the Association, subject to prior written approval of the Association, may levy in any year special Assessments for Common Expenses or any extraordinary costs incurred by the Association (such special Assessments together with the special Assessments authorized in Section 9.01(b) and 9.03(a)(i) below, are sometimes herein collectively referred to as the "Special Assessments"); provided, however, that any such Special Assessments (other than Special Assessments levied pursuant to Section 9.01(b) and 9.03(a) (i) below) shall be approved by a majority of the votes of the Owners who are voting in person or by proxy at the meeting called for the purpose of adopting Special Assessments pursuant to the provisions of Section 8.08 below. If Developer owns any Lot or Dwelling within the Development at the time of such meeting, then, in addition to the majority vote of the Owners, any such Special Assessment shall also require Developer's consent. The Board may make such Special Assessments payable in one lump sum or in installments over a period of time which may, in the Board's discretion, extend beyond the then fiscal year in which said Special Assessments are levied and assessed.

Special Assessments shall be levied against and payable by each Owner in accordance with the provisions of Section 8.03 above.

8.06 Individual Assessments. Any expenses of the Association which, in the opinion of the Association, is occasioned either (a) by the conduct of less than all of the Owners or (b) by an Owner or Occupant, (c) by the respective family members, agents, guest, servants, employees, invitees or contractors of any Owner or Occupant, (d) by the topography, geography or landscaping of less than all of the Lots or Dwellings or (e) by any other circumstance unique to a Lot or Dwelling, shall be specially assessed against such Owners and their respective Lots or Dwellings. The individual Assessments provided for in this Section 8.06 shall be levied by the Board and the amount and due date of such Assessment shall be specified by the Board in a notice to such Owner or in the annual budget adopted annually by the Association pursuant to Section 8.04(a) of the Covenants, as determined by the Board. The provisions of this Section 8.06 shall apply, without limitation, to any individual Assessments levied pursuant to Sections 5.12, 6.23, 6.24(a), 6.32, 6.37, 7.02(b), and 11.01 hereof.

8.07 Allocation of Assessments. All funds collected by the Association through annual Assessments, Special Assessments and individual Assessments shall be retained by the Association.

8.08 Notice of Meetings and Quorum.

(a) Written notice of each annual meeting of the Association shall be sent to all Owners not less than ten (10) days nor more than fifty (50) days in advance of such meeting. With respect to annual meetings, the presence in person or by proxy of Owners entitled to cast over 50% of all the votes of the Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, except as hereinafter provided, but the required quorum at the subsequent meeting shall be the presence in person or by proxy of Owners entitled to cast at least one-third (1/3) of the total votes of the Association. Any notice for any such subsequent meeting shall state that the necessary quorum therefor shall be one-third (1/3) of the total votes of the Association present in person or by proxy. At such time as a quorum is obtained, the vote of a majority of the Owners who are voting in person or by proxy at such meeting shall be required to approve any matter in which all of the members of the Association are entitled to vote.

(b) Written notice of any meeting of the Association other than an annual meeting shall be sent to all Owners not less than five (5) days nor more than twenty (20) days in advance of such meeting. With respect to any such other meeting of the Association, including, specifically, meetings pursuant to which Special Assessments are to be levied upon each Lot or Dwelling pursuant to Section 8.05 above, there shall be no specific requirement establishing a quorum and the vote of a majority of the Owners who are voting in person or by proxy at any such special meeting shall be binding on all of the members of the Association.

8.09 Date of Commencement of Assessments. The annual Assessments provided for herein shall commence as to each Lot or Dwelling on the day on which such Lot or Dwelling is conveyed to a person other than Developer and shall be due and payable in such manner and on

such schedule as may be established from time to time by the Board. Annual Assessments and any outstanding Special Assessments shall be adjusted for each Lot or Dwelling according to the number of months then remaining in the then fiscal year of the Association and the number of days then remaining in the month in which such Lot or Dwelling is conveyed. Annual Assessments and Special Assessments for lots and dwellings within any portion of the Additional Property hereafter submitted to the terms of these Covenants, or any other portion of the Property, shall commence with respect to each such lot or dwelling on the date on which such lot or dwelling is conveyed to a person other than Developer, subject to proration and adjustment according to the number of months then remaining in the fiscal year of the Association and number of days then remaining in the month in which such Assessments commence. For so long as Developer is the owner of any portion of the Property, or until such earlier date as Developer may elect, in Developer's sole discretion, Developer shall have the option to either pay annual Assessments on lots or dwellings owned by Developer in the Property or advance any deficits which may exist between the total amount of annual Assessments assessed to all other Owners and the actual costs incurred by the Association for Common Expenses for the Development. At such time as Developer no longer has any interest in any portion of the Development, Developer shall have no further obligation of any nature to pay any Assessments or otherwise fund any deficits relating to the Common Expenses.

8.10 Effect of Non-Payment; Remedies of the Association.

(a) Each Owner of a Lot or Dwelling is and shall be deemed to covenant and agree to pay to the Association all Assessments provided for herein. In the event any Assessments or any portion thereof are not paid when due, the same shall be subject to a late charge in an amount determined and uniformly applied by the Board from time to time and the Owner of such Lot or Dwelling shall be deemed in default herewith. In the event any Assessments or any portion thereof are not paid within thirty (30) days after the due date of the same, then the unpaid portion of the Assessment shall accrue simple interest at the lesser of eighteen percent (18%) per annum or the highest rate which may be charged to said Owner by law (the "Applicable Rate") from and after the thirtieth (30th) day from the due date until the same is paid in full. In the event the Association employs an attorney or otherwise takes any legal action in attempting to collect any amounts due from any Owner, such Owner agrees to pay all attorneys' fees, court costs and all other expenses paid or incurred by the Association. The lien and equitable charge upon each Lot or Dwelling for Assessments as provided above shall also include all late charges, interest at the Applicable Rate and all attorneys' fees, court costs and all other expenses paid or incurred by the Association in attempting to collect any unpaid Assessments.

(b) In the event any Assessments or other amounts due to the Association are not paid by any Owner when the same becomes due, then in addition to all other rights and remedies provided at law or in equity, the Association, acting through its Board or through any of its officers or authorized representatives, may undertake any or all of the following remedies:

(i) The Association may commence and maintain a suit at law against an Owner to enforce such charges and obligations for Assessments and any such judgment rendered in any such action shall include the late charge and interest at the Applicable Rate, as specified in Section 8.10(a) above, together with attorneys' fees, court costs and

all other expenses paid and incurred by the Association in collecting such unpaid Assessments; and/or

(ii) The Association may enforce the lien created pursuant to Section 8.01 above in the manner hereinafter provided.

(c) There is hereby created a continuing lien on each Lot and Dwelling, with power of sale, which secures the payment to the Association of any and all Assessments levied against or upon such Lot or Dwelling, all late charges and interest at the Applicable Rate assessed pursuant to Section 8.10(a) above and all attorneys' fees, court costs and all other expenses paid or incurred by the Association in collecting any Assessments. If any Assessments remain unpaid for more than sixty (60) days, then the Association, through its Board or any officer or authorized representative thereof, may, but shall not be obligated to, make written demand on such defaulting Owner, which demand shall state the date and amount of delinquency. Each default shall constitute a separate basis for a demand and claim of lien, but any number of defaults may be included in a single demand. If such delinquency is not paid in full within ten (10) days after the giving of such demand or, even without giving demand, the Association may file a claim of lien and perfect its lien against the Lot or Dwelling of such delinquent Owner, which claim shall be executed by any member of the Board of the Association or any officer of the Association, contain the following information and be recorded in the Probate Office of Shelby County, Alabama:

(i) The name of the delinquent Owner;

(ii) The legal description and street address of the Lot or Dwelling upon which the lien claim is made;

(iii) The total amount claimed to be due including late charges, interest at the Applicable Rate, collection costs and attorneys' fees incurred to date and a statement, if applicable, that such charges and costs shall continue to accrue and be charged until full payment has been received; and

(iv) A statement that the claim of lien is made by the Association pursuant to these Covenants and is claimed against such Lot or Dwelling in an amount equal to that stated therein.

The lien provided for herein shall be in favor of the Association, shall be for the benefit of all other Owners (other than those Owners in default), and may be foreclosed in the same manner as a foreclosure of a mortgage on real property under the laws of the State of Alabama, as the same may be modified or amended from time to time. The Association shall have the right and power to bid at any such foreclosure sale and to purchase, acquire, hold, lease, mortgage, convey and sell any such Lot or Dwelling. Each Owner, by acceptance of a deed to any Lot or Dwelling, shall be deemed to (1) grant to and vest in the Association and/or its agents the right and power to exercise the power of sale granted herein and foreclose the lien created herein, (2) grant to and vest in the Association and/or its agents the right and power to bring all actions against such

Owner personally for the collection of all amounts due from such Owner, (3) expressly waive any objection to the enforcement and foreclosure of the lien created herein and (4) expressly waive the defense of the statute of limitations which may be applicable to the commencement of any such suit or action for foreclosure.

8.11 Subordination of Lien. Notwithstanding anything provided herein to the contrary, the lien for Assessments and other charges authorized herein with respect to any Lot or Dwelling in the Development is and shall be subordinate to the lien of any Mortgage held by an Institutional Mortgagee, but only to the extent that the Mortgage held by any such Institutional Mortgagee is recorded in the Probate Office of Shelby county, Alabama prior to the filing of a claim of lien by the Association pursuant to Section 8.10(c) above. When an Institutional Mortgagee exercises its foreclosure rights provided in its Mortgage and acquires title to or sells to a third party its interest in any Lot or Dwelling, then such Institutional Mortgagee or its purchaser or transferee at such foreclosure sale shall (a) not be liable for any Assessments or other charges incurred prior to the date of transfer or acquisition of title by foreclosure so long as the Mortgage held by such Institutional Mortgagee was recorded in the Probate Office of Shelby County, Alabama prior to the filing of a claim of lien by the Association pursuant to Section 8.10(c) above, but (b) be liable for all Assessments other charges levied, assessed or incurred with respect to such Lot or Dwelling from and after the date of such foreclosure sale. The foregoing shall not relieve any Owner whose Lot or Dwelling has been foreclosed from the personal obligation to pay all Assessments and any other charges levied, assessed or incurred by the Association, and the Association shall have the right to pursue all rights and remedies against a defaulting Owner notwithstanding the foreclosure of a Mortgage by an Institutional Mortgagee on such Owner's Lot or Dwelling.

8.12 Certificates. The Association or any officer or authorized representative thereof shall, upon request and at such reasonable charges as may from time to time be adopted by the Board, furnish to any Owner a certificate in writing setting forth whether the Assessments for which such Owner is responsible have been paid and, if not paid, the outstanding amount due and other costs and expenses due from such Owner. Such certificate shall be conclusive evidence of payment of any Assessments stated therein.

ARTICLE IX

CASUALTY, CONDEMNATION AND INSURANCE

9.01 Damage or Destruction to Common Areas.

(a) In the event of any damage or destruction to any of the Common Areas by fire or other casualty, then, subject to the terms and provisions of this Article IX, the Association shall promptly repair, replace and restore the damaged portions of the Common Areas to the condition to which they existed immediately prior to such fire or other casualty.

(b) Notwithstanding anything provided in Section 9.01(a) above, in the event the amount of insurance proceeds, if any, recovered as a result of such damage or destruction is insufficient to fully repair, replace and restore the damaged portions of the Common Areas, and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, then the Board may levy a Special Assessment against all Owners, without the necessity of a vote of the Owners approving or disapproving the same pursuant to Section 8.05 or 8.08 above, which such Special Assessments shall be in an amount sufficient to provide funds to pay a proportionate share of the remaining costs necessary to repair, replace or restore the Common Areas to the condition as existed immediately prior to such fire or other casualty. Such proportionate share shall be determined by a fraction, the numerator of which shall be the total area of the Property and the denominator of which shall be the total area of the Development. Such Special Assessments shall be levied against each Lot or Dwelling equally as provided in Section 8.03 above. Further Special Assessments may be made by the Board on a proportionate share basis, as described above, without the necessity of a vote of the Owners approving or disapproving the same at any time during or upon completion of any such repair, replacement or restoration of the Common Areas if funds are insufficient to cover the costs of such repair or restoration. Any and all insurance proceeds received by the Association on account of any damage to or destruction of any of the Common Areas or any sums paid to the Association under or by virtue of such Special Assessments shall be held by and for the benefit of the Association and shall be disbursed by the Association in payment for the costs of such repair or restoration in such manner as may be determined by the Association. In no event shall the Association or the Owner or Mortgagee of any Lot or Dwelling be entitled to any portion of any Special Assessments or proceeds of insurance payable as a result of the damage to or destruction of any portion of the Common Areas.

9.02 Damage or Destruction to Lots and Dwellings. In the event of any fire or other casualty which damages or destroys any portion of any Lot or Dwelling, then the Owner of such damaged Lot or Dwelling shall promptly repair and otherwise restore such Lot or Dwelling to the condition to which the same existed immediately prior to such fire or other casualty; provided, however, that any such restoration or repair shall be subject to compliance with all of the terms and provisions set forth in Article V above and all then applicable rules, regulations, statutes and ordinances of the Governmental Authorities. Any such restoration or repair shall be commenced within one hundred eighty (180) days following the occurrence of such fire or other casualty. The Owner of any such damaged Lot or Dwelling shall proceed diligently and complete all such restoration and repair no later than one (1) year following the occurrence of such fire or other casualty. In the event the restoration or repair of such Lot or Dwelling is impracticable or would otherwise violate any of the terms and provisions of these Covenants, then such Owner shall promptly clear away any remaining Improvements damaged or destroyed by such fire or other casualty and shall leave such Lot or Dwelling and any remaining Improvements thereon in a clean, orderly, safe and sightly manner.

9.03 Condemnation of Common Areas

(a) In the event of the taking of all or any portion of any of the Common Areas as a result of, in lieu of or in anticipation of the exercise of the right of eminent domain,

condemnation or by private purchase in lieu thereof, the award from such taking or sale in lieu thereof shall be paid to the Association and shall be disbursed or held as follows:

(i) To the extent the Common Areas subject to such taking can either be restored or replaced, then, to the extent practicable, the Association shall take such action, including the utilization of any other Common Areas within the Development, to restore, rebuild or replace, as the case may be, those portions of the Common Areas subject to such taking. If the award is insufficient to fully defray the cost of such repair or replacement and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, then the Board may levy a Special Assessment against all Owners, without the necessity of a vote of the Owners approving or disapproving the same pursuant to Section 8.05 and 8.08 above, which such Special Assessments shall be in an amount sufficient to provide funds to pay a proportionate share of the remaining costs of repair, restoration or reconstruction. Such proportionate share shall be determined by a fraction, the numerator of which shall be the total area of the Property, and the denominator of which shall be the total area of the Development. Such Special Assessments shall be levied against each Owner as provided in Section 8.03 above. Further Special Assessments may be made by the Board, on a proportionate share basis, as mentioned above, without the necessity of a vote of the Owners approving or disapproving the same, at any time during or upon the completion of any such repair, replacement or restoration of the Common Areas if the award received as a result of such taking is insufficient to pay the costs of such repair or restoration.

(ii) To the extent the Common Areas subject to such taking cannot be restored or replaced or if the Association shall determine that the portions of the Common Areas so taken should not be replaced or restored, then in any such event, the net award from such taking shall be retained by and for the benefit of the Association.

(b) If any portion of the award from any taking remains after restoration or replacement of any of the Common Areas, the remainder of such award shall be retained by and for the benefit of the Association, without any claim thereto by any Owner. Except as specifically provided in Section 9.03(c) below, no Owner or Mortgagee of any Lot or Dwelling shall be entitled to any portion of the award made to the Association as a result of the taking of any portion of the Common Areas.

(c) If any such taking or sale in lieu thereof includes all or any part of a Lot or Dwelling and also includes any part of the Common Areas, then the award from such taking shall be equitably apportioned in accordance with the decision of a court of competent jurisdiction and such award shall be disbursed separately to the Association and to the Owners so affected by such taking; provided, however, that the Owners of any Lot or Dwelling which is subject to any such taking and the Association may mutually agree on the amount of such apportionment, which mutual agreement shall be binding on all Owners.

9.04 Condemnation of Lots and Dwellings. In the event that all or any portion of a Lot or Dwelling is taken as a result of, in lieu-of or in anticipation of the exercise of the right of eminent domain, condemnation or by private purchase in lieu thereof, then, to the extent

practicable, the Owner of such Lot or Dwelling responsible for the maintenance and repair of such Lot or Dwelling shall promptly repair, reconstruct, rebuild and otherwise restore the remaining portions of the Lot or Dwelling as nearly as practicable to the condition to which the same existed immediately prior to such taking; provided, however, that any such restoration shall be subject to all of the terms and conditions set forth in Article V above and all then applicable rules, regulations, statutes and ordinances of the Governmental Authorities. In the event the restoration of such Lot or Dwelling is impracticable or would otherwise violate any of the terms and provisions of these Covenants, then such Owner shall promptly clear away any remaining Improvements damaged or destroyed by such taking and shall leave such Lot or Dwelling and any remaining Improvements thereon in a clean, orderly, safe and sightly condition.

9.05 **Insurance.**

(a) The Association shall have the right and authority to obtain and maintain at all times adequate property and casualty insurance in such form as the Association deems appropriate for the benefit of the Association insuring all insurable Improvements in and to the Common Areas against loss or damage by fire or other hazards, including, without limitation, extended coverage, flood, vandalism and malicious mischief, which coverage shall be in an amount, with such insurance carriers, at such costs and with such deductibles as the Association, in its sole discretion, may determine.

(b) The Association shall have the right and authority to obtain and maintain in effect at all times such public liability insurance coverage covering all of the Common Areas in such amounts, with such insurance carriers, at such costs and with such deductibles as the Association, in its sole discretion, may deem necessary or desirable.

(c) The Board shall have the right and authority to obtain workman's compensation insurance, employer's liability insurance, public liability insurance, and all other types of insurance required by law, including, without limitation, errors and omissions and directors and officers liability insurance coverage, in such amounts, with such insurance carriers, at such costs and with such deductibles as the Board, in its sole discretion, may determine.

(d) All insurance coverage authorized in Section 9.05(c) above shall be written in the name of the Association and all costs thereof shall be a Common Expense. To the extent the same may be obtained at a nominal cost, all such policies shall contain a waiver of subrogation clause pursuant to which the insurer waives any claims against the Developer, the Association, the members of the Board and all officers, agents and employees of the Association, including the manager for the Development, and the Association, the Owners and the family members, servants, agents, tenants and guests, of the Owners and shall also name Developer as an additional insured.

(e) All insurance coverages required in Sections 9.05(a) and 9.05(b) above shall be written in the name of the Association and a proportionate share of all costs thereof shall be a Common Expense. Such proportionate share shall be determined by a fraction, the numerator of

which shall be the total area of the Property and the denominator of which shall be the total area of the Development at the time such costs are incurred.

(f) Each Owner shall be solely responsible for obtaining and maintaining public liability, property damage, title and all other types of insurance with respect to his or her Lot and Dwelling. The Board may require all Owners to carry public liability insurance with respect to their respective Lots and Dwellings and to furnish copies or certificates thereof to the Association. Each Owner, by acceptance of a deed or other instrument conveying any interest in any Lot or Dwelling, does hereby waive and release Developer, the ARC, the Association, the manager of the Development and the Association and their respective agents, employees, representatives, partners, shareholders, members, officers and directors, from any and all liabilities or damage covered by (or which should be covered by) fire and casualty (e.g., homeowner's and/or builder's risk) insurance and general liability insurance which any Owner maintains, even if such loss or damage has been caused by the fault or negligence of any of the foregoing persons or parties.

ARTICLE X

TERM AND AMENDMENTS

10.01 **Term.** The terms, covenants, conditions and restrictions set forth in these Covenants shall run with and bind all of the Property, shall inure to the benefit of all Owners and Mortgagees and their respective heirs, executors, personal representatives, administrators, successors and assigns, and shall be and remain in effect for a period of ninety-nine (99) years from and after the date hereof, after which time these Covenants shall be automatically renewed and extended for successive and continuous periods of ten (10) years each, unless, at any time after twenty (20) years from the date hereof, an agreement executed by the Owners of at least two-thirds (2/3) or more of the Lots or Dwellings within the Property agreeing to terminate or modify these Covenants has been recorded in the Probate Office of Shelby County, Alabama; provided, however, that the rights of way and easements established, granted and reserved in Article III hereof shall continue and remain in full force and effect for the time periods and duration specified therein.

10.02 **Amendment by Developer.** For so long as Developer owns any Lot or Dwelling within the Property, or until such earlier date as Developer elects, in Developer's sole discretion, Developer may amend these Covenants by a written instrument filed and recorded in the Probate Office of Shelby County, Alabama, without obtaining the approval of any owner or Mortgagee; provided, however, that except as otherwise provided in Section 10.04 below, (a) in the event any amendment proposed by Developer materially and adversely alters or changes any Owner's rights to the use and enjoyment of his or her Lot or Dwelling or materially and adversely affects the title to any Lot or Dwelling, then such amendment shall be valid only upon the written consent thereto by the affected Owner or, alternatively, by fifty percent (50%) of all of the Owners (including Developer who shall have the voting rights attributable to any Lots or Dwellings owned by Developer) or (b) in the event any such proposed amendment by Developer would materially and adversely affect the title and interest of any Institutional Mortgagee, such

amendment shall be valid only upon the written consent thereto of all such Institutional Mortgagees affected thereby. Any amendment made pursuant to this Section 10.02 shall be certified by Developer and shall be effective upon recording of the same in the Probate Office of Shelby County, Alabama. Each Owner, by acceptance of a deed or other conveyance to a Lot or Dwelling, and each Mortgagee, by acceptance of a Mortgage on any Lot or Dwelling, agrees to be bound by all amendments permitted by this Section 10.02 and further agrees that, if requested to do so by Developer, such Owner and Mortgagee will consent to the amendment of these Covenants or any other instrument relating to the Property or the Association if such amendment is (i) necessary to bring any provision hereof into compliance or conformity with the provisions of any law, ordinance, statute, rule or regulation of any applicable Governmental Authority or the judicial decision of any state or federal court, (ii) necessary to enable any reputable title insurance company to issue title insurance coverage with respect to any Lot or Dwelling, (iii) required by any Institutional Mortgagee in order to enable such Institutional Mortgagee to make a Mortgage loan on any Lot or Dwelling or (iv) necessary to enable any governmental agency or reputable private insurance company to insure Mortgages on any Lot or Dwelling within the Property.

10.03 Amendments by Association. Amendments to these Covenants, other than those authorized by Section 10.02 above, shall be proposed and adopted by the Association in the following manner:

(a) At any annual or special meeting of the members of the Association, an amendment to these Covenants may be proposed by either the Board of the Association or by any Owners present in person at such meeting. Any such proposed amendment must be approved by the Owners holding at least two-thirds (2/3) of the total votes in the Association; provided, however, that (i) for so long as Developer owns a Lot or Dwelling within the Property, or until such earlier date as Developer elects, in Developer's sole discretion, Developer must approve such proposed amendment and (ii) to the extent the proposed amendment affects any of the matters described in Section 10.04 below, then the provisions of Section 10.04 below shall be applicable to such proposed amendment.

(b) Any and all amendments which have been approved in accordance with the provisions of Section 10.03(a) above shall be executed by all parties whose consent to the same is required, including the Owners holding at least two-thirds (2/3) of the total votes in the Association; provided, however, that in the alternative, the sworn statement of the President of the Association or by the Chairman of the Board stating unequivocally that the agreement of the requisite number of Owners was lawfully obtained may be attached to and incorporated into such amendment without the written consent of any Owner. Any such amendment shall be effective upon recording of the same in the Probate Office of Shelby County, Alabama.

10.04 Restrictions on Amendment. Notwithstanding anything provided in the Declaration to the contrary, in no event may any amendment to Sections 1.17, 1.18, 2.02, 2.03, 2.05, 2.06, 3.01 through 3.12, 5.02, 5.05(b), 5.10, 5.11, 5.12, 6.01, 6.08, 6.09, 6.15(b), 6.21, 6.23, 6.26, 6.27, 6.32, 6.35, 8.03, 8.04, 10.02, 10.03, 10.04 and 12.01 hereof or any other provisions of these Covenants which require Developer's consent or approval, be effective unless Developer consents in writing to any such amendment requiring its consent. The consent of Developer to

any such proposed amendment may be withheld in the sole discretion of Developer with or without any reason.

ARTICLE XI

ENFORCEMENT

11.01 Authority and Enforcement. In addition to the provisions of Sections 5.12, 6.23, 6.24(a), 6.32, 6.37, 7.02(b) and 8.10 above, in the event any Owner or Occupant or their respective agents, contractors or invitees, violates any of the provisions of these Covenants, the Articles of Incorporation, the Bylaws or any rules and regulations adopted by the Board of the Association from time to time, the Board shall have the power to (i) impose reasonable monetary fines which shall constitute an equitable charge and continuing lien upon the Lot and Dwelling and shall be a personal obligation of such Owner which is guilty of such violation, (ii) suspend an Owner's right to vote in the Association or (iii) suspend an Owner's or Occupant's right (and the right of such Owner's or Occupant's family members, guests and tenants) to use any of the facilities located in or upon the Common Areas, and the Board shall have the power to impose all or any combination of any of the foregoing sanctions. Any such suspension of rights may be for the duration of the infraction.

11.02 Procedure. In the event any of the terms or provisions of these Covenants, the Articles of Incorporation, the Bylaws or any rules and regulations of the Association are violated by an Owner or Occupant, or the respective agents, contractors or invitees of any Owner or Occupant, the Board shall not impose a fine, suspend voting rights or infringe upon or suspend any other rights pursuant to Section 11.01 above unless written demand to cease and desist from an alleged violation shall be served upon the Owner responsible for such violations which demand shall specify:

- (i) The alleged violation;
- (ii) The action required to abate such violation; and
- (iii) A time period of not less than ten (10) days during which the violation may be abated without further sanction, if such violation is a continuing one or if the violation is not a continuing one, a statement that any further violation of the same provision of these Covenants, the Architectural Standards, the Articles of Incorporation, the Bylaws or any of the rules and regulations of the Association may result in the imposition of sanctions. ARTICLE XII

MISCELLANEOUS PROVISIONS

12.01 **Control by Developer.** NOTWITHSTANDING ANYTHING PROVIDED TO THE CONTRARY IN THESE COVENANTS, THE ARTICLES OF INCORPORATION, THE BYLAWS OR IN ANY OTHER DOCUMENT OR INSTRUMENT RELATING TO THE PROPERTY, DEVELOPER HEREBY RETAINS THE RIGHT TO APPOINT AND REMOVE ANY MEMBER OR MEMBERS OF THE BOARD OF THE ASSOCIATION AND ANY OFFICER OR OFFICERS OF THE ASSOCIATION AS PROVIDED BY AND FOR THE PERIOD OF TIME SET FORTH IN SECTION 4.02 ABOVE. Each Owner, by acceptance of a deed or other conveyance of any interest in a Lot or Dwelling, agrees that Developer shall have the authority to appoint and remove members of the Board and officers of the Association in accordance with the foregoing provisions of this Section 12.01 and the provisions of Section 4.02 above. At such time as Developer no longer owns any interest in any portion of the Property, or at such earlier date as Developer elects, in Developer's sole discretion, a special meeting of the Association shall be called within a reasonable time thereafter at which time the Owners shall elect a new Board which shall undertake the responsibilities of the Board and Developer shall deliver all books, accounts and records of the Association, if any, which Developer has in its possession.

12.02 **Legal Expenses.** In addition to the rights and remedies set forth in Sections 5.12, 6.23, 6.24(a), 6.32, 6.37, 7.02(b), 8.10 and in Article XI above, in the event either the Association, its agents or representatives, the ARC, its agents or representatives, or the Board, its agents and representatives, undertake any legal or equitable action which either of them deem necessary to abate, enjoin, remove or extinguish any violation or breach of these Covenants, then all costs and expenses incurred by either of them, including, without limitation, attorneys' fees and court costs, in enforcing any of the terms, provisions, covenants or conditions in these Covenants shall be paid for by the Owner against whom such action was initiated. The Association, its agents and representatives, the ARC, its agents and representatives, and the Board, its agents and representatives, are each hereby authorized to take any and all legal or equitable action as may be necessary under the circumstances to restrain or enjoin any such violation or breach or to otherwise seek monetary damages as a result of any expenses incurred by either the ARC or the Association to cure such violation or breach.

12.03 **Severability.** If any provision of these Covenants or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of these Covenants or the application of such provision to persons or circumstances other than those as to which it is held invalid or unenforceable shall not be affected thereby and each provision shall be valid and enforceable to the fullest extent permitted by law.

12.04 **Captions and Headings.** The captions and headings contained in these Covenants are for convenience of reference only and shall not be used in the construction or interpretation of any provisions of these Covenants. The table of contents, cover page and any index to these Covenants are for convenience of reference only and shall not define or limit any of the terms and provisions hereof.

12.05 **Pronouns and Plurals.** All personal pronouns used in these Covenants, whether used in the masculine, feminine or neuter gender, shall include all other genders. The use of the singular tense shall include the plural and the use of the plural shall include the singular.

12.06 **Binding Effect.** The terms and provisions of these Covenants shall be binding upon each Owner, Occupant and Mortgagee and the respective heirs, executors, administrators, personal representatives, successors and assigns of each Owner, Occupant and Mortgagee, and shall inure to the benefit of Developer, the ARC, the Association, all of the Owners and their respective Mortgagees and their respective heirs, executors, administrators, personal representatives, successors and assigns.

12.07 **Conflict or Ambiguity.** In the event of any conflict or ambiguity in the terms and provisions of these Covenants, the general rules of construction against one party as a result of that party having drafted these Covenants are hereby waived by each Owner and, to the fullest extent allowed by law, no conflicts or ambiguity shall be resolved in favor or to the advantage of one party as opposed to another in interpreting any ambiguity or conflict contained herein.

12.08 **No Reverter.** No restriction or provision hereof is intended to be or shall be construed as a condition subsequent or a possibility of reverter in favor of Developer nor shall any provision be deemed to vest any reversionary interest in Developer.

12.09 **Interpretation.** In all cases, the provisions set forth and provided for in these Covenants shall be construed together and given that interpretation or construction which, in the opinion of Developer or the Board, as the case may be, will best effect the intent of the general plan of development for the Property. The provisions hereof shall be liberally interpreted and, if necessary, they shall be so extended or enlarged by implication so as to make them fully effective. The provisions of these Covenants shall be given full force and effect notwithstanding the existence of any zoning ordinance or building codes which are less restrictive. The effective date of these Covenants shall be the date hereof. These Covenants shall be construed under and in accordance with the laws of the State of Alabama.

12.10 **Right of Third Parties.** These Covenants shall be recorded for the benefit of Developer, the Association, the Association, the Owners and their respective Mortgagees and by such recording, no other adjoining property owner or third party shall have any right, title or interest whatsoever in the Property or the Development or the operation and continuation of either, in the enforcement of any of the provisions of these Covenants or the right to consent to or approve any amendment or modification to these Covenants.

12.11 **No Trespass.** Whenever the Association, Developer, the ARC and their respective agents, employees, representatives, successors and assigns, are permitted by these Covenants to enter upon or correct, repair, clean, maintain or preserve or do any other action within any portion of a Lot or Dwelling, the entering thereon and the taking of such action shall not be deemed a trespass.

12.12 **No Partition.** Each Owner hereby waives any right to seek or obtain judicial partition of any portion of the Property or the Development.

12.13 **Reservation of Rights.** Notwithstanding anything provided herein to the contrary, no sale, transfer, conveyance, lease, pledge, encumbrance or other hypothecation of any Lot or Dwelling by Developer to a third party shall constitute or be deemed a transfer of any of the rights reserved herein to Developer unless reference is made in such instrument of conveyance to the specific rights created in these Covenants which Developer is transferring to any such third party.

12.14 **Standards for Review.** Whenever in these Covenants Developer, the Association or the ARC has the right to approve, consent to, or require any action be taken pursuant to the terms hereof, such approval, consent or required action shall, except as otherwise specifically provided herein to the contrary, be given or withheld in the sole and absolute discretion of Developer, the Association, or the ARC, as the case may be.

12.15 **Oral Statements.** Oral statements or representations by Developer, the Association, the ARC or any of their respective employees agents, representatives, successors or assigns, shall not be binding on Developer, the Association, or the ARC.

All notices to the Association, or the ARC shall be delivered or sent in care of Developer to the following address:

12.17 **Assignment.** Subject to the provisions of Section 12.13 above, Developer and the ARC shall each have the right to assign any and all of the rights, powers, reservations and duties contained herein to any person or entity who shall thereupon have the same rights, power, reservations and duties as Developer and the ARC, respectively.

12.18 **Further Assurances.** Each Owner covenants and agrees to execute, sign and deliver, or cause to be executed, signed and delivered and to otherwise do or make or cause to be done and made, any and all agreements, instruments, papers, deeds, acts or things, supplemental, conformity otherwise, which may be reasonably requested by Developer, the Association, or the ARC for the purpose of or in connection with clarifying, amending or other consummating any of the transactions and matters herein.

12.19 **No waiver.** All rights, remedies and privileges granted to Developer, the Association, the Association and the ARC pursuant to the terms and provisions of these Covenants shall be deemed to be cumulative and the exercise of anyone or more of such rights, remedies or privileges shall not be deemed to constitute an election of remedies nor shall it preclude the party exercising the same, or any other party, from pursuing such other and/or additional rights, remedies or privileges as may be available to such party at law or in equity. The failure at any time to enforce any covenant or restriction set forth herein shall in no event be deemed a waiver of the right thereafter to enforce such covenant or restriction.
